Among the arrivals at the port of Buffalo on the 19th, were the following from Chicago—brig Muritampton, and schooler Advance; on the 13th, brigs Panny Gardner, Courtland and Globe; 1854 FALL TRADE. 1854

C. M. ATKEN,

RANDOLPH STREET,

T. RANDOLPH STREE

RICHARD L. WILSON,

NATHANIEL BELCHER,

MYRON V. HALL,

Morthampiese, and schooner Advance; on the 13th, brigs Panny Gardner, Courdand and Glober schooners Fred Hill, Nile, Elchard Mott; C. P. Williams, Susquebassach, and Cairo. Cleared as the 15th, for this port—propellers Hillinois, and Iswa; schooners Suffaith, Traveller and Curlier.

The steamer Sultana is being overhauled and palasted at Beffailo, and is to take the place of the Alabama, (eccently sunk in Lake Eric,) in the stope trade between that port, Cleveland and finantiasty. She will essentiate success the command of Capt. Appleby.

On Monday last, between I and 2 A. M. and collision concurred on Lake Eric, between the brig N. M. Standart and the propeller Brunswick, in the channel south of Kelley's Island. It appears that the Captain of the Standart first any the propeller, bound down, straight ahead, both the red and green lights being plainly visible.

He altered his Course, and display the popular at about the amee time, and ran aeroes the vessil's bows. The Standart stroot the Manuary, and cut he badly.

The schooner for the Captain of the Standart the work of the series of the series described the amee time, and ran aeroes the vessil's bows. The Standart stroot the Manuary, and cut her badly, was the foregard angles to the search of the series of the search of the courter of the school the series of the search of the courter of the school the series of the search of the courter of the school the series of the search of the courter of the school the series of the search of the courter of the school the series of the school that the school the series of the school the series of the school that the schoo PORT OF CHICAGO.

He altered his course, as did also the propeller at about the same time, and rean across the versul's bown. The Standard struck the Recursive's mear the forward gangway, and out her badly, breaking the arch and duing other considerable damage, but not burding her hull. The stem and east water of the Standard were totally demolished, the lower part being split into kindling wood. The damage, the Captain thinks, will be full \$4,000. The propeller was bound from Toldo in Buillalo, and the being from Buffalo to Chicago, with 1300 bhis of sait. The latter is discharging her cargo at Cleveland, and will go on to the firy dook for repairs.

The steemer Ledy High was in the dry dook.

The steemer Ledy High was in the dry dook. r part being split into kinelling wood, the Captain thinks, will be full propuler was bound from Toledo groupeller was bound from Toledo all the brig from Buffalo to Chicago, its of salt. The latter is discharging the control of th The steamer Lady Rigin was in the dry dook at Buffle, on Wednesday. Her damages are slight, and will require but two or three days to repair them.

The brig Northampson, which arrived at Buffle on Wednesday morning last, from this port, make the wear wednesday morning last, from this port, make the wear wednesday morning last, from this port, make the wear wednesday morning last, from the specific fluid or a getting from family to post one of locations.
